The Tounsi Family  
The Lopez Family  
The Fuentes-Lopez Family  
The Costaneda Family  
The Hubbard Family  
The Galeany Family

Family Activity is a weekly event here at Raphael House. It is a time when all the families come together to spend time with each other. The families create art and play games together. Local performers are often invited to come and share their talents. On special occasions, parents, siblings and staff enjoy thoughtfully prepared plays by the children. No matter what the activity may be, the families take the opportunity to spend this unique and precious time together.
